

Children are the hands by which we take hold of the future

What is the Century Club?

The Century Club is a group of supporters of Christian Education devoted to raising the funds needed to sustain, promote, and continue building Community Christian Academy. Formerly, it was the vehicle for the school building fund. Our present need for the funds is to subsidize the budget. The tuition charged is about 70% of the actual cost of educating the students. Our tuition costs are set at that rate in order to enable more parents to choose Christian education for their children. However, this creates a shortfall in our budget each year. We depend on the generosity of our community to keep our school functioning.

Our goal:

100 churches

+ 100 families

+ 100 businesses

300 Century Club Members making monthly/annual pledges of \$100/\$1,200

The easiest way for you to participate would be to set up monthly withdrawals from your bank account. These gifts are tax deductible. Please prayerfully consider sowing into this kingdom work.

I want to partner with CCA as a member of the Century Club.
