Reunification Sign-Out Verification

Reunification is used when students have been removed from the school facility and placed at an alternate location due to the school facility or immediate area being affected. A student can only be released to an adult **you** have listed as having permission to “pick up” your child(ren).

Persons coming to pick-up students **must** bring proper photo identification (driver’s license, state ID card, military ID card, passport, green card) and will be required to sign for your child(ren).

ALL families, please provide the names of 2 or 3 individuals (besides yourself) who will be allowed to pick up your child(ren) during the reunification process. Sign and date this form.
