

CCA Tuition Reduction Incentive Program (TRIP) Policies

The **Tuition Reduction Incentive Program (TRIP)** is being offered through the office of Community Christian Academy. The **TRIP** program is a way of reducing tuition cost to participating families. Participation is voluntary.

Participants pre-order and pre-pay for certificates that are sold at face value. Orders are placed through the ShopwithScrip.com website. The certificates/gift cards from participating restaurants, food, and retail stores are offered at a discount to non-profit organizations.

TRIP savings will be credited each year to designated accounts for the following school year. Funds accumulated by participants who do not re-enroll or complete a school year will be credited to the Scholarship fund unless assigned to an enrolled student.

Exception: Seniors only may apply their **TRIP** earnings to the planned trip cost* of their year-end class trip. Funds may be used for the senior and his or her parent if attending as a chaperone. Funds earned in excess of the planned trip cost will be credited to the Scholarship fund.

* Planned trip cost -- the trip package amount determined by the administration of the high school for the year-end class trip. (TRIP earnings cannot be applied to meals or other incidental expenses.)

To sign up for the TRIP program, follow the steps outlined on the TRIP Registration.

Each store lists the percentage of earning you will receive. The percentages listed (less 1%) are the actual savings you will receive when your account is credited. The one percent (1%) from each order covers operational expenses (i.e., shipping). Anything above the operational expenses will be credited to the Scholarship Fund.

TRIP will run weekly during the school year, except for normally scheduled school vacations and holidays. **TRIP** will run bi-weekly during the summer with the exception of the two weeks the office is closed. In case of snow days, the order will be placed on the next school day.

All orders must be placed online at ShopwithScrip.com or through the RaiseRight app. The final order will not be placed by the Program Coordinator if payment has not been made (through PrestoPay), credit card (2.6% fee), or check received at the school by the order cut-off time (currently on Tuesday, 8:30 a.m.). Please make checks payable to "CCA TRIP" for the amount of the purchase only. No post-dated checks or late orders (after the 8:30 a.m. deadline) will be accepted for any reason.

Orders will be shipped to the school for distribution. Those orders not claimed at the close of pick-up day will be locked and stored. Children in grades 8th through 12th will be allowed to pick up physical cards in the office.

Once you have registered, please check out the site thoroughly. Some vendors offer "reload" on a physical card purchased from Scrip which has to be reloaded through Scrip. For those vendors you do not have to continue purchasing the physical card. In addition to the physical cards, some vendors offer ScripNow which is an electronic gift card. Please note: some of the vendors require a printed eCard, while others can be used from your RaiseRight app wallet. **ScripNow can be purchased at any time—you must use PrestoPay or credit card for this feature.**

TRIP "Tip": Family members and/or friends may help you reduce tuition by participating in **TRIP** and directing their savings to your account. You may include their order with yours on one check or they may choose to set up their own account. Anyone may choose to direct their savings to their personal tuition account, another family tuition accounts, or the CCA Scholarship Fund.

Please take note of special policies regarding remaining balances at the time of purchase. Merchants participate on a voluntary basis to support non-profit groups. CCA will not be responsible for lost certificates/gift cards.

This is a great opportunity to save earnings towards next year's tuition just by purchasing gift cards in advance to places you normally frequent.

TRIP Registration

All TRIP orders will be placed online through the ShopwithScrip.com website or the Raiseright app. This system will allow parents to enter TRIP orders at any time during the week, and payments can be made by using PrestoPay (similar to PayPal), credit card (2.6% fee), or check.

Anyone who uses TRIP must establish an online account. If you need assistance establishing an online account, please contact the school. Orders may be brought to the school to be entered into the system for those who do not have computer access. These orders must be received by the cut off time on Tuesdays at 8:30 am.

In order to create an account, please follow these steps:

1. Go to www.shopwithscrip.com or download the RaiseRight app through the Apple or Google app store.
2. Click on “family sign up – create account” to create a new account and password.
PLEASE NOTE - On the line for "student name" please enter a name, even though it is optional. This will assist the coordinator with accounts that are established in the name of someone other than a parent.

You must then associate your account with CCA. Our organization number is

LB9LF5DD3LLL

3. Orders will not be placed if payment has not been made or received at the school by the order cut-off time (Tuesday, 8:30 a.m.). **Important! You have 3 payment options: PrestoPay, credit card (2.6% fee), or bring a check to the school☺.**
4. To pay for TRIP cards automatically and to be eligible to use the "Reload" and "ScripNOW" options, you must use Presto Pay. After the account has been established, please select “PrestoPay” on the left-hand column and link the TRIP account to a personal bank account. While using PrestoPay is not necessary, if this feature is used, it will eliminate the need for you to bring a check to the school.
5. Cards will be shipped to the school for pick-up.

Please explore the website and familiarize yourself with all the vendors as well as the services that Great Lakes provide. For instance, two of their services, ScripNOW! and Reload, allow you to receive your scrip even faster for select vendors.

Please call should you have any questions concerning CCA’s Tuition Reduction Incentive Program.

Join today and start saving on tuition!

Becky Bondurant and Anna Thomas
Program Coordinators
